

### **What**

Sponsor the 2018 Care Net Pregnancy Resource Centers (PRCs) Run 4 Hope. Walk 4 Life. April 14 at the Harris Pavilion, Manassas. Hundreds of walkers and runners will join us for a fun and family friendly celebration of life and what God is doing in Prince William and Fauquier counties.

Care Net PRCs, with centers in Manassas and Woodbridge, has been a part of the community for over 25 years. We uphold the sacred value of life by reaching out to those in unplanned pregnancies, sharing the gospel, and offering spiritual healing from the emotional effects of abortion.

### **Why**

Life is worth celebrating! And every child deserves a chance to live and be loved. But abortion is devastating and pervasive. One out of three women in our community has had an abortion, and of course, thousands of men are impacted too. As a local business, you have an opportunity to positively impact our community and help your neighbors make life affirming choices.

Care Net PRCs is an extraordinary resource for our community. Due to the generous support of our donors, all services are provided at no cost to our clients. Here are a few:

- Ultrasound sonography services
- Pregnancy tests
- Education on pregnancy
- Education on abortion and abortion alternatives
- Referrals for medical care, housing, food, financial assistance and adoption services
- Material support, including diapers, formula, baby and maternity clothing
